

AMERICA'S FOOD PARTNERSHIP (AFP) was established to provide a direct link between those who would like to make a donation to purchase nutritional food and the local and state agencies, shelters, and organizations in need of it - no matter what city or town they might be located.

Our mission is to provide food to hungry men, women, and children. **Our dream** is to help feed the world. **Our motivation** is to have a personal impact on the world, to leave our personal mark. **Our method** is to link individuals, associations, and businesses, on a community by community basis throughout the United States, with already existing social service agencies feeding needy people.

YOU choose the agency to where **YOU** want your donation to AFP shipped, anywhere in the United States, and your donations go directly to the agencies in need in your community: food pantries serving the poor; centers for disturbed young adults; shelters for abandoned and/or abused women and children; homes for the elderly; shelters for the homeless; agencies helping victims of natural disasters; and countless others for those less fortunate than ourselves.

THE AFP DIFFERENCE is based upon a very simple premise. Lots of people want to help others, but often do not know what they can do. The issue of hunger is overwhelming, and we wonder what we, as individuals, can do about it.

HOW CAN YOU HELP?

- One simple answer to that question is **AMERICA'S FOOD PARTNERSHIP'S: THE AFP DIFFERENCE**. Person by person, we can all **Make A Difference** and do our part in helping those in need. AFP is designed to enable everyone to donate as much or as little as they are able.

WHY AFP? That's a fair question and let us give you three reasons:

- You **KNOW WHAT** we will do with your donation: **Purchase Food**
- You **KNOW WHERE** it is going: **YOU Choose The Organization**
- You **KNOW HOW MUCH** of your donation will actually be spent on food: **85%**

WHY SHOULD WE/YOU HELP?

- Because we can!
